

YOUNG ADULT PROGRAM

FCNL's Young Adult Program is a unique opportunity for students and people of all faiths under the age of 35 to engage in the political process.

FCNL offers an annual Young Adult Spring Lobby Weekend in DC, special projects during our Annual Meeting every November and a listserve for students and young people.

The Young Adult Program Coordinator travels around the United States, speaking to students and youth groups about FCNL's work in Washington, DC.
