

AUGUST 6 AND AUGUST 9  
Hiroshima and Nagasaki — 62 Years Later  
**Where are We Now?**

**Seeking to Build  
New Nuclear Bombs:**

The administration is proposing a \$150 billion overhaul of the U.S. nuclear weapons complex to restore production capability to Cold War levels.

**Tearing Up  
Disarmament Treaties:**

The administration is refusing to renegotiate treaties with Russia that would limit the deployment of nuclear weapons.

**Building a Network  
To Rid the World  
Of Nuclear Weapons**

Join FCNL today in telling Congress to reject plans to build new bombs and to honor treaty obligations.
