2020-2021: Standing Committee Members

The year after each name indicates the year of the Annual Meeting where the individual was appointed. The number in parentheses indicates the term number. Generally, individuals serve 3-year terms that can be renewed once for a total of 2 consecutive terms, but term length and limit vary with the approval of the Nominating, Executive Committees, and General Committees. The Nominating Committee intends to fill the open spots on the standing committee roster.

Bold italics indicates a member new to a committee in 2020-2021.
