

Medford Monthly Meeting  
14 Union Street, Medford, New Jersey 08055

Medford Monthly Meeting has recently added an expanded social justice minute to our racial justice minute of 2021. During this process the Meeting made minimal changes to the original minute and decided to keep them as two separate minutes.

Original racial justice minute of 2021 with updated wording, approved by Medford Monthly Meeting, September 7, 2025:

We are a faith community committed to advancing racial justice and standing with those in the wider community working to address the impact of systemic racism.

Follow up Social Justice minute of 2025, approved by Medford Monthly Meeting, July 6, 2025:  
As a faith community we recognize the current conditions of deep discrimination toward multiple groups of marginalized people. We commit to working to bring about social justice for all and stand with those in the wider community addressing the impact of this discrimination.
